DXpedition News

Galapagos - HC8 HC5KA reports that his Galapagos DXpedition will use the call **HD8G** during the Oct. 4-11 operation. He's set for 160-6 meters, CW, SSB, and RTTY, HF packet, and the satellites. QSL with SASE or SAE and IRCs to KT1N, Box DX, Stow MA 01775. (For more information, see Issue 349.)

Bophuthatswana - H5 Bob Hooper ZS6AEV will be on as H5AZA Oct. 10-12 from this non-country (counts for ZS.) Prefix hunters should look for Bob on 20 and 40 meter SSB.

Monjes Island - SA-15 IOTA and prefix hunters note: YN1NX reports that the Venezuela Navy will transport a handful of YV DXers to Monjes Island for the first two weeks in November. They'll use the special call **4M0A**.

Rumors, Rumors

Twenty meters exploded Sept. 19 with rumors that Martii Lane OH2BH was on the way to Albania. No such luck. The only ZA on the bands was FO0ZA, operated by OH1ZAA.

The European DX bulletins have been saying that an Italian DXer will be on soon from T50DX. TDXB's investigations have turned up nothing.

And Mt. Athos continues to fuel the rumor mills. Some reports suggest that the Athens DX Club will be on from Mt. Athos the last week in Sept. through the first week in October. TDXB's letters to Greek DXers have gone unanswered. [If they're going to object so strongly to other hams operating from Athos, the Greeks certainly better activate it soon! -ed.] Other rumors have a resident monk obtaining an SY license. [TDXB suggested that possibility in Issue 344; was that the start of this rumor? -ed.]

The DX Bulletin's comment: If all the DX energy that goes into perpetuating these rumors was directed at convincing the arch-conservative DXAC and Awards Committee that DXers want New Countries, we would have DXcitements on the bands!

Complete and return your Survey now!

Shortly Noted

- XU1SS often shows on 14032 at 1330Z.
- FR4ZD on Reunion likes 7003 around 0300Z.
- 9G1FH checked in Snooky's net on 14183 at 1900Z.
- HF0POL from the South Shetlands can be heard talking to Polish stations after 1900Z on 14222. QSL SP5PWK. Tnx DXNL.
- Djibouti - J2 J28E0 14165 16-1700Z
- P5AGJ was on again on Sept. 16 at 1330Z around 7002. He gave his name as Jeong, and QSL address as Box 126, Heung Nam, Peoples Republic of Korea. JAs drove him off the band by sending "pirate."
- BY4SZ is gaining a reputation as a fast QSLer: 3-week turnaround through Box 51, Suzhou, PRC. Speaking of **China**, K6IR worked four different BY stations in a single week! Remember when BY was at the top of the Most Wanted list?
- 8R1RPN has been showing on 7191 SSB around 1000Z
- DL8OH's C30AAN operation brought joy to many DXers, with a fine CW and SSB, all-band DXpedition. QSL route in Issue 348.
- Oblast 106 UA0HAA is one of only two stations from the rare Oblast 106 (see Bandpass). (The other is club station UZ0HWA.) This central Siberian Oblast is larger than WA, OR, and ID combined, but has a population of only 13,000, about 44 people/1000 mi². (The US has an average of 880 people/1000 mi².)
- CV1R is the special anniversary call of the Uruguay club. They'll be on from Isla de Lopes Oct. 3-5.

WPX Notes

Tahitian stations now sport F04 and F05 prefixes. 5J0FRC Oct. 11-12 from Gorgona Island. C4LWF is on Cyprus. Y00 stations are on now.

— Chod Harris VP2ML Editor

Thanks N4XX and KH6BZF.

Propagation Watch

The second 1986 Clipperton DXpedition (and the popular California QSO Party) will probably run into mediocre band conditions during the Sept. 26-28 weekend. After that, 20 meters should show some signs of improvement until Oct. 8-10, when we expect a recurrence of the disturbed conditions that plagued the bands in early Sept. Solar flux levels are expected to remain flat at about 68-69, so 20 will close down soon after sunset, and north-south paths will provide the bulk of the action on 15 meters.

Stateside Checkpoint for DARC Awards

DARC (West Germany) sponsors a series of DX awards that are very popular in Europe. To encourage more US participation, DARC has appointed **Ralph Hirsch K1RH** as its official USA/Canada checkpoint for their awards: Worked All Europe, European DX Diploma, Europe Diploma, Europe Diploma Honor Roll, and Europe 300 Trophy. Send Ralph an SASE and \$1 for application forms, WAE Country List, and check sheets: 172 Newton Road, Woodbridge CT 06525. [K1RH is also QSL manager for VP2ML and many of my other DXpeditions. -ed.]

Reserve Your Island - Part 4

- KQ2M will be /VP2V in CQWW SSB. (Terry N6CW will not be operating from VP2V this year, for the first time in 11 years. He's been bitten by the VHF grid square bug, and is aiming for ZF in VHF SS.)
- K7CA will be /KP4 from Puerto Rico for CQWW CW.
- WB8ZTY will activate ZF2IM for CQWW SSB, giving competition to another Cayman Island contest, N6RJ.
- W2GD will hit Aruba P43 for CQWW CW. He plans to stay until Jan. 3 (obviously hoping Aruba will be a New One soon.)
- N9AG reports that the Southwest Ohio DX Association will be fielding a major operation from St. Lucia J6 for CQWW CW,
- and look for your hard-working TDXB editor on 15-meter single-band from Argentina for CQWW SSB!
